CONTACT US!

Pneumatic wheels, front bumper, a 5-litre tank for dust control on the side brushes, lockable storage compartment, broom and litter picker holders: every detail is designed for those who work on the ground every day.

Ideal for cleaning pathways, courtyards, car parks and outdoor spaces in both public and private settings: municipalities, cooperatives, service companies, tourist facilities and commercial premises.

Sturdy, easy to handle and versatile. HANDY E+ CROSS is designed to simplify outdoor maintenance, combining practicality and performance in a compact walk-behind sweeper.

**THE VERSATILE AND EASY-TO-HANDLE SOLUTION FOR EFFECTIVE, PROFESSIONAL CLEANING**
